

## Ah Wing

**Waranga Chronicle**

**17 March 1870**

A Magisterial Inquiry was held before J. T. Lewis, Esq., J.P., Whroo, on Saturday last, to ascertain the cause of the death of Ah Wing, who was found dead in his hut.

Dr. Heily stated that death was caused by disease of the lungs and heart, accelerated by want. A verdict was returned in accordance with the evidence.

*Ah Wing is shown on the Whroo cemetery interment list, age given as 48.*
